REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the Applicants' Declaration under 37 CFR1.131 swearing behind the reference of Edwards et al. (US Pre-Grant Publication # 2002/0102604 has been considered and found persuasive in overcoming the art rejection under 35 U.S.C. 102(e). The Declaration clearly demonstrates the invention prior to the priority date of the Edwards et al. reference of December 8, 1999. Furthermore, the amendments to the claim 19 and cancellation of remaining claims has rendered moot all other rejections and objections.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claim 19 is free of the prior art based on the Declaration discussed above and is allowed.
